

MEDICAID MEMBERS

You can receive assistance being connected to social needs services!

If you are enrolled in Medicaid and you or your family are seeking assistance with food, transportation, housing, or other essential needs, resources may be available to you.

Medicaid Members can connect with a Social Care Network representative to discuss their needs and explore available services.

To learn more about services available in your community,
contact NY Connects: 631-730-3737 x 162
or email info@siloinc.org
