Email: sacchallengerb@optonline.net

Adaptive Sports Program:

***** Skills Program *** Intramural Games *** Travel/Tournaments ******

The Challenger Program is sanctioned by the Little League of America. The Challenger Program is charted by the United States Congress as an Educational Program and is open to anyone who has a physical or developmental disability.

Each division is established based upon sufficient enrollment in those respective age brackets. Every player will receive a team shirt and hat. Equipment (except for baseball gloves) are provided by the League. Suggested registration fee of \$50.00 but scholarships are available so don't let cost be a barrier.

There is no residency requirement. If you can get there, you can play!!!

Please complete and return to registration form to ensure a uniform being ready for you on opening day.

All forms are available online or you can email us and we'll send them to you.

Hey adults, brothers, sisters and friends. You don't have to be caught watching in the stands. We need Managers, Coaches, Team Mothers and Buddies to make this a success.

We also need sponsors. Anyone wishing to sponsor or would like to make a donation, please make payable to Central Suffolk Challenger.

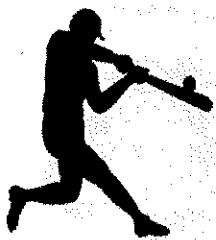

All funds donated are tax deductible and stay with the Challenger Division.
